Player 1 - Decoder Cards

> **Bomb Diffusal Activity.** Player 1 operates the Screen, Mouse and Keyboard. Keep these cards in front of you. Read what you see on screen out loud; your partner has the Manual.

Card A - International Morse Code

*Used by **Puzzle 2: Morse Code**. Your partner reads the LED blinks (short = dot `.`, long = dash `-`); you look up each letter here and type the word.*

Letter	Code	Letter	Code	Letter	Code
A	`.-`	**B**	`-...`	**C**	`-.-.`
D	`-..`	**E**	`.`	**F**	`..-.`
G	`--.`	**H**	`....`	**I**	`..`
J	`.---`	**K**	`-.-`	**L**	`.-..`
M	`--`	**N**	`-.`	**O**	`---`
P	`.--.`	**Q**	`--.-`	**R**	`.-.`
S	`...`	**T**	`-`	**U**	`..-`
V	`...-`	**W**	`.--`	**X**	`-..-`
Y	`-.--`	**Z**	`--..`		

Timing: a dot is one unit lit; a dash is three. The gap between letters is longer than the gap between a letter's own dots and dashes, and the whole word repeats after a long pause.

Card B - Simon Translation (“Riddles”)

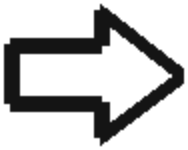

*Used by **Puzzle 3: Simon with a Twist**. LED A flashes a sequence of colours. For **each colour shown**, press the button(s) listed below, in order. Chain them together for the whole sequence.*

Colour shown on LED A	Buttons to press
Red	Blue
Yellow	Green + Green
Green	Red
Blue	Yellow + Yellow

*Example: if LED A flashes **Green, Red**, you press **Red**, then **Blue**. One wrong button resets the sequence.*

Card C - Symbol Names

*For **Puzzle 8 (Symbols Lock)** and **Puzzle 9 (Glyph Addition)** you must describe the on-screen symbols to your partner. Use these names.*

Symbol	Name		Symbol	Name
	Spiral			Circle
	Crescent			Square
	Triangle			Pentagon
	Star			Heart
	Arrow			Plus
